ACCESSORIES +

Our designers and merchandisers are dedicated to creating classic and fashion forward key items for our retail partners. With over 60 years of experience in the Leather/PU/PVC and accessory industry, our team prides itself on working hand-in-hand with our retailers' buyers and brand managers. CBM is constantly researching global markets for new designs, materials, fabrics, to provide premium fashion for the Contempo and Junior woman of all lifestyles.

THAT'S WHAT WE SAID...

"Our goal is to deliver the right product with the right quality at the best price"
